

# PANTHER PAWPRINTS

“EXCELLENCE THROUGH CARING”

FEBRUARY 2017 EDITION

## Principal's Message

**Thomas J. Schroeder**  
Principal

**Vicki Flournoy**  
Assistant Principal

Our mission at Margate Elementary School is to create a nurturing environment so that our students will become independent, successful, life-long learners by providing a high quality, differentiated, and innovative curriculum based on the Sunshine State Standards.

**6300 NW 18th Street**  
**Margate, FL 33063**

**Phone Number:**  
**754-322-6900**

Dear Margate Families:

Our school year is already half over, and we approach the second semester with enthusiasm and excitement. We have a great deal to be proud of. Our school is fortunate to have the most incredible students, families, and the best teachers and staff. We thank all of our families who continue to support our school-wide initiatives and work diligently to be active partners in their child's educational success. Being present in the school is one way to show your support. This is accomplished through frequent conferences, involvement in our family nights, attendance at our SAC meetings and PTA events.

We are a blessed school community to have such caring and committed parents. There is ample evidence that shows that parents who are involved in their children's education by participating in school related activities are rewarded with academically and socially successful children. The staff and teachers often speak of how our parents go above and beyond. We ask for your continued support in our school-wide effort to increase literacy for all students. This means all of our proud panthers should be reading for at least 30 minutes each evening. Research shows that students who score in the top percent of standardized tests read for approximately 60 minutes each day. At Margate Elementary, we have reading support through our I-Ready and Smarty Ants program and intermediate support through I-Ready and Achieve 3000. It is also

vitaly important that your children catch you reading. A great family activity is to put down the electronic devices and curl with a good book on the couch. The more we work in tandem, the greater success our students will achieve. Our goal is to create life-long learners who will be college and career ready.

Please help us spread the word about our amazing school to our future panthers. This month, we will be hosting two Kindergarten Round-Ups/Orientations on both February 22<sup>nd</sup> at February 25<sup>th</sup>. During these round-up opportunities, we will take a tour throughout the school; discuss important Kindergarten readiness skills along with provide all necessary registration information. A separate flyer has been sent to all students and has been posted throughout social media.

Finally, I thank everyone who is ensuring that your child arrives at school and on-time. Students who are routinely on time to school and attend each day, have the maximum opportunity for success. Excessive absences and tardies directly affect achievement. As a reminder, our school day begins at 7:50 a.m. and students are marked tardy if they are not present in their class by the 8:00 a.m. bell.

As always, I convey my personal gratitude for the numerous ways you help make Margate great! Together, we make our school a shining beacon of success!

Happy January/February!!!!

*Thomas J. Schroeder, Principal*
