Dear Margate Families,

Welcome to Margate Elementary. We are so excited that you will be joining us in Kindergarten. Please utilize this activity packet to help prepare your child for the upcoming year. Summer is an important time for each of us. It is an opportunity to rest and relax with our families and friends. Even though, it is a much deserved time of rest, it is also vitally important that we maintain learning for our panthers. Daily work in Reading, Writing, Mathematics and Science is critical. Vacations and special events also contribute to the learning environment. It is our sincere hope that you spend time this summer continuing your child’s learning progression. The summer packet attached provides you with resources, suggestions and activities to maintain this important learning. As always, the best practice for reading is to read each day for at minimum 30 minutes. Please turn in all assignments to your child’s teacher in the fall.

May you have a blessed, restful, relaxing, enjoyable and fun-filled summer!

Sincerely,

Thomas Schroeder & Vicki Flournoy
DEAR FAMILY,

As many of you are planning for your summer activities for your children, we want you to remember to encourage your children to read over the summer break! Reading for the sake of reading will allow children to explore summer from home, on the road, on vacation or from their own backyard!

Many children forget what they've learned during the school year while on summer break. This “achievement loss” is also known as the summer slide. Keeping your kids’ engaged with reading over the summer months will help maintain their academic edge and reduce the summer slide. Children who do not read over the summer could potentially lose more than 2 months of reading achievement and unfortunately summer reading loss is cumulative.

Good News: Margate Elementary encourages reading over the summer by providing your child access to myON, an online personalized collection of more than 5,000 digital books that can be read on computers, laptops, and other devices anytime, anyplace. We hope you enjoy the 2016 Summer Reading Program!

Your children can now read with myON over the summer & choose the books that they are interested in.

**Ten-Frame Grid Game**

**You Need:**
- Dice
- Beans, cereal, pennies, or other objects for counters

**Directions:** Color the crabs. Roll the die & put that number of objects on the grid. Clear the grid & roll a new number.
- Ask your child to describe their number to you. *(My number is 6. It’s 1 more than 5. It’s 4 away from 10.)*
Cut out the numbers and name them. Practice putting them in order.
I know these shapes.

- triangle
- trapezoid
- octagon
- rectangle
- square
- rhombus
- oval
- circle
