

# 2016-2017 "LEVEL UP" YEARBOOK

Hello Proud Panthers,

Our dedicated PTA has been collecting priceless memories through it's camera lens, to create the annual Panther Pride Yearbook! Endless hours are invested to create a masterpiece of memories for all our families to treasure for years to come.

Elementary School is a special time in our children's lives. Bonds of friendship are developed and the love for learning etches a lifelong spot in their hearts. Pictures preserve those moments in time and we are grateful that our school captures so many, allowing PTA to create a full color, hardcover yearbook.

**Please return this order form to the PTA as soon as possible.**

There is currently space available for you to leave a "Well-Wisher" (*a couple of lines of a personalized message*) or an "AD" (*Business Card, 1/4 Page, 1/2 Page of pictures and personalized message*) in our yearbook!!
